## Spirit of Israel / People of Israel

The Jewish Agency has many friends who work with us to change the face of philanthropy in Israel. Our main partner in this effort, Spirit of Israel, was founded by The Jewish Agency and Keren Hayesod/UIA in 1997. Donors to the Spirit of Israel campaign continue to make an extraordinary impact on Israeli society.

The following Israeli individuals and business partners have demonstrated outstanding support and volunteerism over time.

## United Israel Appeal (U.S.A.)

The United Israel Appeal, a subsidiary of The Jewish Federations of North America, is a principal beneficiary of JFNA's United Jewish Appeal Federation Campaign.

For more than three decades, through United Israel Appeal, The Jewish Agency has been the recipient of a U.S. Government grant to bring humanitarian migrants from distressed countries to Israel. A considerable portion of the funds is used to bring Ethiopian Jews to Israel and to settle them in temporary housing. The grant was initiated by Congress during the early 1970s in response to the first large influx of Soviet Jews to Israel. The State Department's Bureau of Population, Refugees and Migration supervises grant programs. Key members of the U.S. Senate and House of Representatives have provided the leadership to assure continued support. Over the years, members of Congress have recognized the continuing responsibility to help bring Jews to Israel from distressed countries based on the principle that free emigration is a hallmark of a democratic society, and therefore a priority of the U.S. Congress. They look upon this grant as a concrete expression of these values.
